

Privacy Information

Lepanto Yachting Service srl, a one member company acting in its capacity of your personal data controller, pursuant to and by effect of the Legislative Decree 30 June 2003, n. 196 (Code regarding the protection of personal data - hereinafter known as the Privacy Code), hereby declares that it is handling the information in its possession merely for consultation and filing purposes and to use it in performing its existing contractual activities.

Furthermore, Lepanto Yachting Service declares that it complies with specific security measures that are aimed at guaranteeing maximum confidentiality and discretion with reference to the data stored and its protection, thus, doing its very best to avoid any risks, in relation to the same, the destruction, loss, unlawful or improper use, unauthorised access or information processing that is not allowed or not in compliance with the aims for which the latter was collected, and in line with the obligations envisaged by the aforementioned (Italian) Legislative Decree.

In compliance with art. 11 of the Privacy Code, your personal data are:

- processed lawfully and fairly;
- collected and recorded for specific, explicit and legitimate purposes and used in other processing operations in a manner compatible with those purposes;
- accurate and, where necessary, updated;
- adequate, relevant and not excessive in relation to the purposes for which they were collected and subsequently processed;
- kept in a form which permits identification of data for a period of no longer than is necessary for the purposes for which they were collected or subsequently processed.

1. Data processing purposes

Your personal data have been collected in order to:

- comply with legal obligations, regulations, Community legislation, civil and tax law, handed down by the authorities, which are entitled to do so, and by monitoring and supervisory bodies;
- perform any contractual obligations in relation to the interested party;
- perform any activities connected with Lepanto Yachting Service srl's business activities, such as drawing up personal details and internal statistics, invoicing and client-supplier bookkeeping;
- comply with commercial aims, such as sending commercial information and advertising materials (by post), marketing and marketing research;
- credit protection and debt management.

2. Data processing methods

With reference to the aforementioned purposes, data processing can be conducted on paper, electronically and through telecommunications, such as to guarantee the information's security and confidentiality and in compliance with preventive measures; it includes all the operations envisaged by Article 4 par. 1 letter a) of the Privacy Code and required by the data processing in case of point.

3. Information assignment obligation

Data collection is mandatory in such a way as to comply with all legal, contractual and accounting obligations. If the data required is not granted it may lead to the impossibility of executing contractual relations or being unable to provide specific services, which makes provision of the data absolutely indispensable.

You hereby undertake to supply true, complete and up-to-date information and data, as well as undertaking to inform us of any change in the data and information supplied, consequently being held liable for any untrue, incomplete declarations and any mistakes in the latter.

4. Data diffusion

Lepanto Yachting Service s.r.l. hereby declares that in order to perform its business activities, in consideration of its organisational structure and the services supplied, it employs, besides its own employees, authorities, companies, consultants, free lance professionals or, in any case, individuals external to the company, who have been appointed by the Data Processor and Controller, by means of regular, written letter of appointment. Your data will be kept care off the Data Processor and Controller's registered offices and may therefore be communicated to the latter.

Your data may, furthermore, even be divulged abroad, exclusively in relation to the aforementioned purposes and if required to:

- Public Administration Departments, Finance Administration, public authorities and companies, welfare and insurance institutions, in performance of any, legislative obligations;
- Natural and/or corporate persons, both public and/or private, merely by way of an example, but not limited to the same, banks, legal, administrative and tax consulting firms, solicitors, Chamber of Commerce, agencies or other individuals who have been appointed to provide commercial information or send advertising material, information, etc.

5. The Data Processor and Controller

The Data Controller is Lepanto Yachting Service srl, based in Monfalcone (GO), Via Consiglio d'Europa n. 38, represented by its legal representative *pro tempore*.

The Data Processor is Mrs. Silvia Pozzerle, who is domiciled for the purposes of this deed care off at the Meridiana-rent srl registered offices in Via Consiglio d'Europa n. 38, 34074 Monfalcone (GO).

6. Rights to which the interested parties are entitled, pursuant to Article 7 of the Legislative Decree 30 June 2003, n. 196

The interested party is entitled, at any time whatsoever, to obtain confirmation as to the existence or not of his personal data and to be made aware of both its contents and source, apply for the same to be updated, amended, supplemented or cancelled. Furthermore, the interested party may always assert all the other rights to which he is entitled in compliance with Article 7 of the Privacy Code, amongst which, in particular, the right of raising opposition, for lawful reasons, to the information being processed. The text of said Article, which contains a list of the rights acknowledged by Law in favour of the interested party, has been set forth below for your convenience.

Legislative Decree 30 June 2003, n. 196 - Code regarding the protection of personal data

Art. 7 Right of access to personal data and other rights

1. A person shall have the right to obtain confirmation as to whether or not personal data concerning them exists, regardless of whether it has already recorded, and communication of such data is in intelligible form.
2. A person shall have the right to be informed:
 - a) of the source of the personal data;
 - b) of the purposes and methods of the processing;
 - c) of the logic applied to the processing, if the latter is carried out with the help of electronic means;
 - d) of the identification of the data concerning the data controller, data processors and the representative designated as per art. 5, section 2;
 - e) of the entities or categories of entity to whom the personal data may be communicated and who may get to know of the said data in their capacity as designated representative(s) in the State's territory, data processor(s) or person(s) in charge of the processing.
3. A person shall have the right to obtain:
 - a) updating, rectification or, where interested therein, integration of the data;
 - b) erasure, anonymity or blocking of the data that has been processed unlawfully, including data whose retention is unnecessary for the purposes for which it has been collected or subsequently processed;
 - c) certification to the effect that the operations as per letters a) and b) have been notified, as also related to their contents, to the entities to whom or which the data were communicated or disseminated, unless this requirement proves impossible or involves a manifestly disproportionate effort compared with the right that is to be protected.
4. A person shall have the right to object, in whole or in part:
 - a) on legitimate grounds, to the processing of personal data concerning him/her, even though they are relevant to the purpose of the collection;
 - b) to the processing of personal data concerning him/her, where it is carried out for the purpose of sending advertising materials or direct selling or else for the performance of market or commercial communication surveys.

The person concerned, on signing the present, declares that he has already been informed by the Data Processor and Controller as to the:

 - a) purposes and data processing methods that will be used;
 - b) mandatory or optional nature of the data provided;
 - c) consequences concerning any refusal to reply;
 - d) subjects and categories of subjects to whom the personal information may be communicated or come to their knowledge, in their capacity of those who have been placed in charge or who have been designated with this appointment, as well as the scope concerning diffusion of the latter;
 - e) rights referred to in Article 7 of the Legislative Decree No. 196/2003;
 - f) identification details of the Data Processor and Controller.

Any request concerning Article 7 of the Privacy Code, as well as the methods referred to in Article 9, must be addressed to the Data Processor and Controller:
